

Galileo Team Project: Final Exhibition

What? 15-20 minute presentation to the entire Galileo group

When? Tuesday 11th December

Why?

1. To communicate to the Galileo group what you have achieved with your team, as well as the challenges you have faced.
2. To use visual imagery to communicate your personal experience of the Team Project.
3. To practice and demonstrate your public speaking skills!

Presentation Outline:

1. **The Basic Facts** (all team members together) (3-5 minutes)

- Introduce your team & explain your Team Project topic & themes/focusses.
- Outline your Option Trail **research questions** & explain how they link to your themes and your initial research (history, people, places, issues & mini-trail).
- Options trail
 - Describe the **planning process** & what you learned from it.
 - Outline what you did on your Options Trail (locations, interviews, etc.).
 - Briefly answer **1 or 2** of your Options Trail questions using **evidence**.
 - Evaluate the quality and scope of the evidence you use (critical thinking!).
- Action project
 - Describe the **planning process** & what you learned about event planning.
 - Outline what you did and show **evidence**.
 - Evaluate the success of your Action Project.

2. **Your Journey** (each member individually) (2-3 minutes each)

- Present an image (simple or multi-layered) that represents your experience of the Team Project (*not* Galileo as a whole).
- You should:
 - Explain why you have chosen your particular image(s).
 - Describe your personal experience of working in the group by referring to features of the image.
 - Explain the main things you have learned through doing the team project (about yourself, your team-mates and how teams operate).

3. **Conclusion** (all team members together) (3-5 minutes)

- Challenges
 - Outline the biggest (one or two) challenges your group faced, in terms of the group and/or work process.
 - Outline how you overcame (or didn't overcome) these challenges.
- Give examples of when members of the group showed initiative, leadership or other outstanding personal qualities.
- Outline your team's (one or two) greatest achievements.
